Author Bio

Coachify Blocks · https://wpcoachify.com/docs/author-bio/

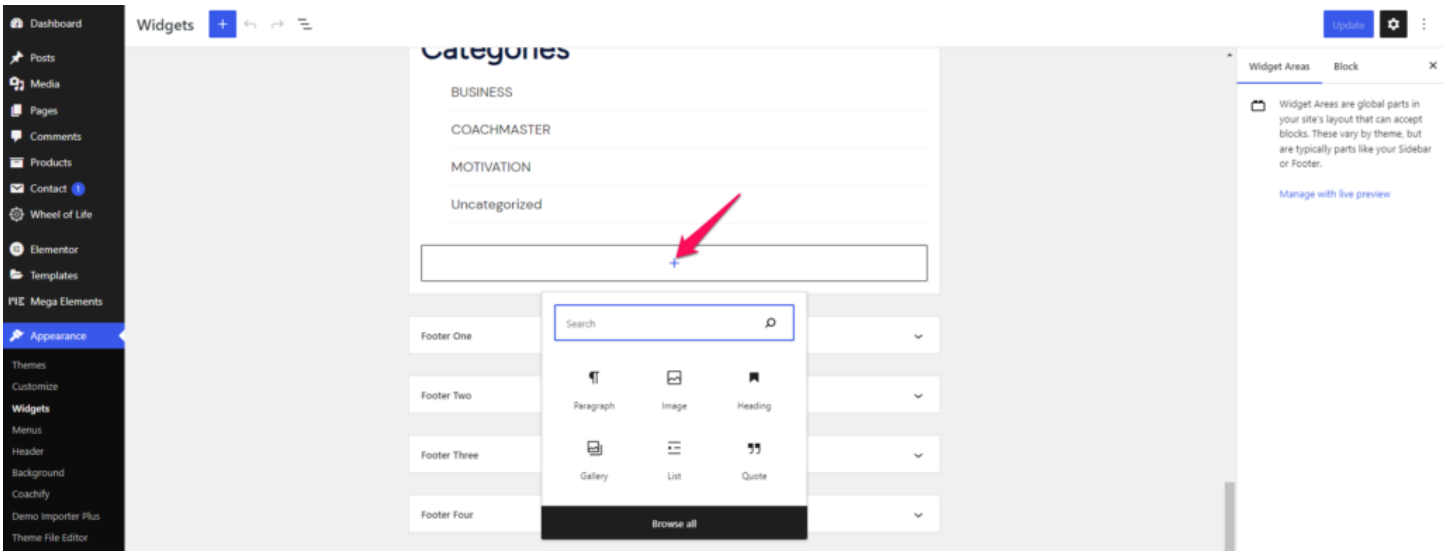

You will need to install and activate the Coachify Pro plugin and activate the Sidebar Blocks addon in order to use the Author Bio block.

The Author Bio block allows users to display information about a website author.

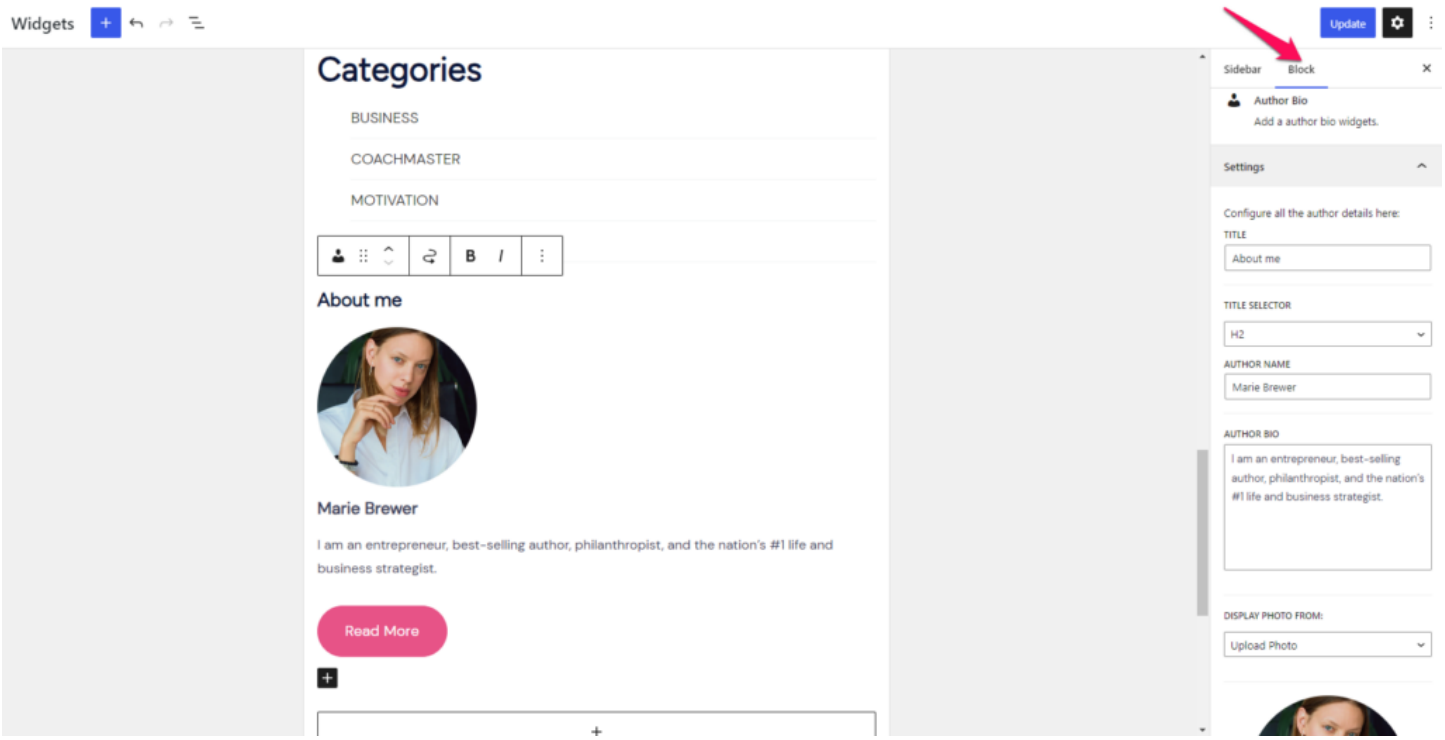

With this block, the website readers will be introduced to the website author and it further helps build a connection between the readers and the authors.

How to add the Author Bio block?

- Visit **Dashboard > Appearance > Widgets** .
- Inside the Sidebar dropdown option, click on the Add block “+” icon.

- Search for Author Bio and click on the block to add it.
- The block will be added to the sidebar which you can further configure via the provided Block Settings.

Block Settings

The following is the list of block settings provided to configure the Author Bio block.

Title: You can enter the title for the block added here.

Title Selector: Select the Heading Style for the block title.
