The Coachify Pro is a premium plugin that adds to the functionalities of the Coachify free theme. Via this plugin, you can get access to the premium starter templates and a lot of features that extend your scope for customization while using the Coachify theme.

You can follow the below steps to install and activate the Coachify Pro plugin on your website:

1. Purchase and download the Coachify Pro plugin from here
2. Login to your WordPress website
3. Navigate to **Plugins** > **Add New**
4. Now click on **Upload Plugin** button
5. Chose the .zip file you downloaded earlier and click **Install Now**
6. After the plugin is installed click on **Activate** button
