Sidebar Settings

General Settings · https://wpcoachify.com/docs/sidebar-settings/

Embedded media: https://www.youtube.com/embed/rOlr8gZNI_I?feature=oembed

You can access the Sidebar Settings via **Admin Dashboard > Appearance > Customize > General Settings > General > Sidebar.**

The following are the settings that you can use to manage the sidebar layout of your website.

Sidebar Width – Set a value for the sidebar width.

Widget Spacing – Set a value for the spacing between the sidebar widgets.

Last Widget Sticky – Enable this option to apply sticky widget effect to the last widget in the sidebar.
